KLH KENDALLS

The KLH Kendalls are BACK IN STOCK! Come late December 2021, our flagship speaker will be ready for immediate shipment. We highly suggest you cozy up this winter and let the KLH Kendalls give you a live concert or a theater-like sound experience from the comforts of your home! Trust us, the KLH Kendalls are always worth the wait and never cease to amaze. Their distortion-free sound, pinpoint accuracy, and transparent bass response undoubtedly makes them the ultimate choice in the eyes of any audiophile. The KLH Kendalls are dressed in real wood veneers and are currently offered in two finishes: American Walnut and Black Oak. The astonishing beauty, sophistication, and loud output of our leading electrodynamic 3-way bass-reflex loudspeaker are one of a kind. It easily stands face-to-face with the best performing floor-standing speakers on the market. The Kendall floorstander is KLH's longest prized possession, and it guarantees to reconnect listeners with their music - at a very reasonable price.

SOUNDSTAGE! NETWORK HIFI MODEL FIVE REVIEW

Photo Courtesy of Technomatic

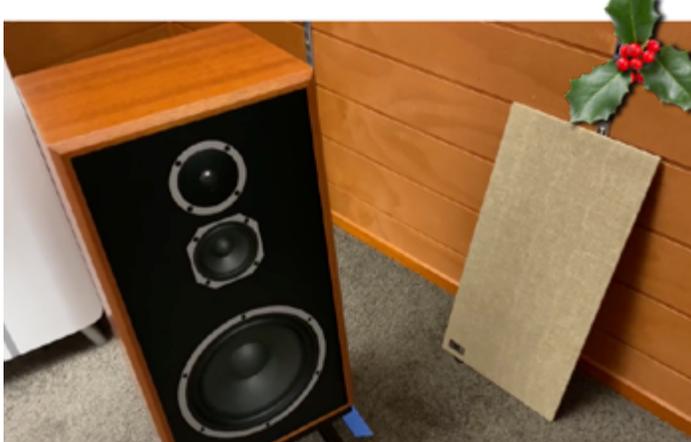

After conducting an extensive review, Doug Schneider at Sound-Stage! Network had positive things to say about the KLH Model Five:

"...I have nothing but praise for the clarity of the midrange, the robustness of the middle and upper bass, and the voicing across the entire frequency range."

"This is a case where old school and cutting edge have combined to create something that's truly special—and at a very reasonable price."
