

STRATTON 10

Powered Subwoofer

Stratton Street is a commanding name for a commanding presence. Like its bigger sibling the Stratton 12, this sub with its proprietary woofer composition of polyglass-coating, treated paper, Kevlar, CSX and fiberglass, and 200 watt amplifier with 400 watts of peak power, the Stratton 10 will enhance your music and movies in a smaller, room-filling footprint. For power and stunning bass, this beautiful sub will deliver some heart-pounding bottom end to your system.
